RE: ID C00432401
July Quarterly Report (4/1/09 – 6/30/09)

Dear Sir or Madam:

This letter is in response to your request dated August 4, 2009 regarding contributions that exceeded the allowable amount.

The contribution from Northwestern Mutual Life PAC in the sum of \$5000 received by our committee on May 4, 2009 was inadvertently attributed to the primary election. The check we received clearly states it was intended for the general election. Copy of the check enclosed.

The contribution from GlaxoSmithKline PAC in the sum of \$2500 received by our committee on June 30, 2009 was attributed to the primary election. Since this contribution would cause the total contributions to exceed the allowable amount, we have contacted GlaxoSmithKline and they have instructed us to redesignate the contribution, \$1500 to primary and \$1000 to general. I have notified them in writing that we are doing this and should this not be their intention, to please notify us and we will issue a refund. Copy of letter enclosed.

A revised July Quarterly Report reflecting these changes is enclosed.

Should you have any questions or comments, please feel free to contact us.

Sincerely,

Susan Landow
